Troop 409 is a boy run troop which means: The troop functions under the leadership of the boys with the guidance of the Scoutmaster and several Assistant Scoutmasters. Since 1971, the Evening Optimists of Albuquerque have been the charter organization for Troop 409. We have an average membership of 50 boys and many adult Scouters. To aid in the Scouting journey, the troop has a strong support of involvement from parents and other adults associated with scouting.

Troop 409 meets every Monday night from 7:00 pm to 8:30 pm at the Community of Christ Church, 4701 Juan Tabo Blvd. NE (approximately one block north of Montgomery Blvd. NE on the west side of the street). The summer schedule offers swimming every other week during our meeting time. Visitors are always welcome!
