Camp-In Program

NEW MEXICO
MUSEUM OF
NATURAL HISTORY
FOUNDATION

Schedule your Camp-In at The New Mexico Museum of Natural History and Science!

Enjoy a unique adventure designed for children in grades 1-5 that will amaze and educate.

Campers will experiment with hands-on activities throughout the Museum, explore New Mexico's natural world and animals in the Naturalist Center and watch a thrilling film on the 50-foot tall screen in our exclusive Lockheed Martin DynaTheater. After the movie, Museum activities, and snacks, your group gets to sleep with the dinosaurs!

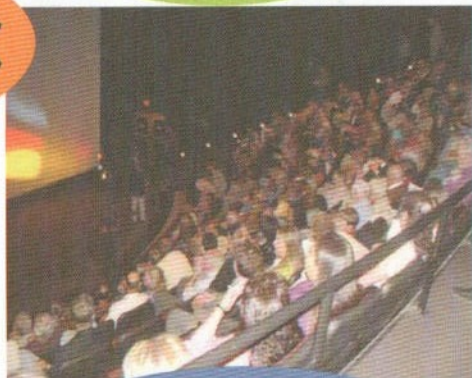

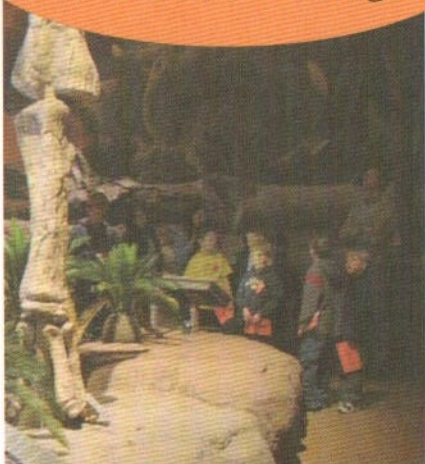

The New Mexico Museum of Natural History and Science Camp-In Program supports state education guidelines, and utilizes Albuquerque Public School teachers and their assistants to work with your campers and their chaperones.

← **NEW!**

Now the Camp-In Program includes our famous Naturalist Center! Meet our live critters and see how they live in this fantastic animal wonderland.
